The diagram illustrates a mapping from two separate function calls to a single target. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'OTCGetAttributes' and the bottom box contains 'OTCGetDAProperties'. Two blue arrows originate from the right side of these boxes and point towards a single gray rectangular box on the right. This gray box contains the text 'SODaCServerCommunication' on the top line and '::getSupportedOPCVersion' on the bottom line. The gray box has a dark gray border.
