The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders, one above the other. The top box contains the text 'ServerDANode::isBrowsable' and the bottom box contains 'ServerDATag::isBrowsable'. On the right, there is a single gray box with a black border. Two blue arrows point from the right side of each white box to the left side of the gray box. The top arrow originates from the right side of the top white box and points to the left side of the gray box. The bottom arrow originates from the right side of the bottom white box and points to the left side of the gray box. The gray box contains the text 'ServerDAAddressSpaceElement' on the top line and '::isBrowsable' on the bottom line.
