```
classDiagram
    class SoftingOPCToolboxServerDaSession["SoftingOPCToolboxServer::DaSession"]
    class MySession
    MySession --|> SoftingOPCToolboxServerDaSession
```

The diagram illustrates a class hierarchy. At the bottom is a gray box labeled 'MySession'. A blue arrow points upwards from 'MySession' to a white box at the top labeled 'SoftingOPCToolboxServer::DaSession'. This indicates that 'MySession' inherits from 'SoftingOPCToolboxServer::DaSession'.
