

WeifenLuo.WinFormsUI.Docking.  
DockContentHandler.Activate

```
graph LR; A[WeifenLuo.WinFormsUI.Docking.DockContentHandler.Activate] --> B[WeifenLuo.WinFormsUI.Docking.DockContentHandler.Show]; B --> B;
```

The diagram illustrates a sequence of method calls. It starts with a grey rectangular box on the left containing the text 'WeifenLuo.WinFormsUI.Docking.DockContentHandler.Activate'. A straight blue arrow points from the right side of this box to the left side of a white rectangular box on the right. This white box contains the text 'WeifenLuo.WinFormsUI.Docking.DockContentHandler.Show'. Above the white box, a curved blue arrow starts from the top edge and points back down to the top edge of the same box, indicating a self-call or a recursive loop.
