

_SOXpItemHandle

```
graph BT; A[_SOXpSDAItemData] -.->|m_itemHandle| B[_SOXpItemHandle];
```

The diagram illustrates an inheritance relationship. At the bottom is a gray-shaded box labeled `_SOXpSDAItemData`. A dashed purple line with an upward-pointing arrow connects it to a white box at the top labeled `_SOXpItemHandle`. The label `m_itemHandle` is placed next to the arrow, indicating the specific member being inherited.
