

SOCmnList::isInit

```
graph LR; A[SOCmnList::isInit] --> B[SOCmnListHeader::isInit]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'SOCmnList::isInit'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'SOCmnListHeader::isInit'. Both boxes have a thin black border.
