

_tWinMain

```
graph LR; A[_tWinMain] --> B[OpcServer::setServiceDescription]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text "_tWinMain". The right box is gray with a black border and contains the text "OpcServer::setServiceDescription". A blue arrow points from the right side of the white box to the left side of the gray box.

OpcServer::setServiceDescription
