

DeviceElement::simulate

```
graph LR; A[DeviceElement::simulate] --> B[DeviceElement::setConnected];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'DeviceElement::simulate'. The right box is gray with a black border and contains the text 'DeviceElement::setConnected'. A blue arrow points from the right side of the left box to the left side of the right box.

DeviceElement::setConnected
