

BISDemo.CommandProperty.
AddCommand

BISDemo.BISApplication.Build
Namespace

BISDemo.CommandProperty.
AddCommand

```
graph LR; A[BISDemo.CommandProperty.AddCommand] --> C[BISDemo.CommandProperty.AddCommand]; B[BISDemo.BISApplication.Build Namespace] --> C;
```

The diagram illustrates a mapping or transformation process. On the left, there are two source boxes. The top box contains the text 'BISDemo.CommandProperty.AddCommand'. The bottom box contains the text 'BISDemo.BISApplication.Build Namespace'. Two blue arrows originate from the right side of these boxes and point towards a single target box on the right. The target box is shaded gray and contains the text 'BISDemo.CommandProperty.AddCommand'. This suggests that both source elements are being mapped or transformed into the same target element.
