

UpdateMode.Console.Main

```
graph LR; A[UpdateMode.Console.Main] --> B[UpdateMode.Console.CreateOpcServer]
```

A flow diagram with two rectangular boxes. The left box is white with a black border and contains the text 'UpdateMode.Console.Main'. A blue arrow points from the right side of this box to the left side of a second box. The second box is gray with a black border and contains the text 'UpdateMode.Console.CreateOpcServer' on two lines.

UpdateMode.Console.Create  
OpcServer
