

MyDaAddressSpaceRoot
::queryAddressSpaceElementChildren

```
graph LR; A[MyDaAddressSpaceRoot  
::queryAddressSpaceElementChildren] --> B[SoftingOPCToolboxServer  
::DaAddressSpaceElement  
::setItemId];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'MyDaAddressSpaceRoot' followed by '::queryAddressSpaceElementChildren' on the next line. The right box is gray with a black border and contains the text 'SoftingOPCToolboxServer' followed by '::DaAddressSpaceElement' on the next line, and '::setItemId' on the third line.
