

COM TestClientGui

The diagram illustrates the structure of the COM TestClientGui. It features a light blue rounded rectangle with a dashed border. Inside this rectangle, the text 'COM TestClientGui' is centered at the top. Below this text, there is a horizontal container with a solid black border. This container holds four elements: the text 'Elements' on the left, followed by three blue rectangular boxes with black borders. These boxes are labeled 'CustomProxy', 'MonitorWatch', and 'StressTests' from left to right.
