

ClientJob::execute

SoftingOPCToolboxClient
::DaSubscription::validateDaltems

OTCValidateDAItems

```
graph LR; A[ClientJob::execute] --> D[OTCValidateDAItems]; B[SoftingOPCToolboxClient::DaSubscription::validateDaltems] --> D;
```

The diagram illustrates two call arrows pointing to a central box labeled 'OTCValidateDAItems'. The top arrow originates from a box labeled 'ClientJob::execute'. The bottom arrow originates from a box labeled 'SoftingOPCToolboxClient::DaSubscription::validateDaltems'. Both arrows are blue and point towards the right side of the 'OTCValidateDAItems' box.
