

ClnPlaceList::ClnPlaceList

```
graph LR; A[ClnPlaceList::ClnPlaceList] --> B[ClnPlaceList::GetCorrect DropWidth]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text 'ClnPlaceList::ClnPlaceList'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'ClnPlaceList::GetCorrect DropWidth'.

ClnPlaceList::GetCorrect
DropWidth
