```

The diagram illustrates two function calls to `getComCtlVersion`. On the left, there are two white rectangular boxes with black borders. The top box contains the text `SODmCMainFrame::OnCreate` and the bottom box contains `SODmCPropertyFrame::OnCreate`. Two blue arrows originate from the right side of these boxes and point towards a single gray rectangular box on the right, which contains the text `getComCtlVersion`. The arrows from the top and bottom boxes converge towards the center of the gray box.
