

DemoClient.DockWindows.Main
Window.AddSubscription

DemoClient.DockWindows.Main
Window.DeleteAction

AEConsole.MyAeSubscription.
MyAeSubscription

Softing.OPCToolbox.Client.
AeEventsReceivedEventHandler

```
graph LR; A["DemoClient.DockWindows.Main Window.AddSubscription"] --> D["Softing.OPCToolbox.Client.AeEventsReceivedEventHandler"]; B["DemoClient.DockWindows.Main Window.DeleteAction"] --> D; C["AEConsole.MyAeSubscription.MyAeSubscription"] --> D;
```

The diagram illustrates three separate components on the left, each with a blue arrow pointing towards a single, larger gray box on the right. The components are: 1. DemoClient.DockWindows.Main Window.AddSubscription, 2. DemoClient.DockWindows.Main Window.DeleteAction, and 3. AEConsole.MyAeSubscription.MyAeSubscription. The target box on the right is labeled Softing.OPCToolbox.Client.AeEventsReceivedEventHandler.
