The diagram illustrates a C++ project structure. At the top is a header file, 'C++/samples/client /AEBrowse/AEBrowseDlg.h', enclosed in a gray box. Below it are two source files: 'C++/samples/client /AEBrowse/AEBrowse.cpp' on the left and 'C++/samples/client /AEBrowse/AEBrowseDlg.cpp' on the right, both in white boxes. Two blue arrows point from the source files up to the header file, indicating that both source files include this header.
