

C++/samples/server  
/ServerDLL/TestDll/stdafx.h

```
graph TD; A["C++/samples/server  
/ServerDLL/TestDll/stdafx.h"] --> B[iostream]; A --> C[tchar.h]; A --> D[windows.h]; A --> E[stdio.h];
```

The diagram illustrates the include dependencies of the file `C++/samples/server/ServerDLL/TestDll/stdafx.h`. Four blue arrows originate from the bottom of the top box and point to the top of each of the four boxes below it, indicating that `stdafx.h` includes each of these files.

iostream

tchar.h

windows.h

stdio.h
