The diagram illustrates the relationship between three source files. At the top is a header file, 'core/src/OTB/ServerDACreator.h', which is shaded gray. Below it are two source files: 'core/src/OTB/ServerDACreator.cpp' on the left and 'core/src/OTB/SrvApp.cpp' on the right. Both source files have blue arrows pointing upwards to the header file, indicating that they include or inherit from it.
