

Console.Console.Main

```
graph LR; A[Console.Console.Main] --> B[Console.MyWin32.SetConsoleCtrlHandler]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'Console.Console.Main'. The right box is gray with a black border and contains the text 'Console.MyWin32.SetConsoleCtrlHandler' on two lines.

Console.MyWin32.SetConsole  
CtrlHandler
