

CGridCtrl::Initialise

```
graph LR; A[CGridCtrl::Initialise] --> B[CTitleTip::SetParentWnd]
```

A diagram showing a call from CGridCtrl::Initialise to CTitleTip::SetParentWnd. The first box, CGridCtrl::Initialise, is shaded gray and has a blue arrow pointing to the second box, CTitleTip::SetParentWnd, which is white.

CTitleTip::SetParentWnd
