```

A flowchart illustrating a sequence of three operations. The first operation, 'SOXpSStart', is contained within a gray rectangular box. A blue arrow points from this box to the second operation, 'reportThreadMain', which is in a white rectangular box with a black border. Another blue arrow points from the second box to the third operation, 'WaitForSingleObject', also in a white rectangular box with a black border. The boxes are arranged horizontally from left to right.
