```

The diagram illustrates the relationship between three source files. At the top is a header file, 'core/src/OTB/ClientDACreator.h', which is highlighted with a gray background. Below it are two source files: 'core/src/OTB/ClientDACreator.cpp' on the left and 'core/src/OTB/OTC.cpp' on the right. Both source files have blue arrows pointing upwards to the header file, indicating that they include or depend on the header file.
